

The Pandahorn

The Pandahorn lived in Atlantis. It looked like a panda with a horn, wings and a fin.

The Pandahorn could swim and fly. It was the most beautiful animal of Atlantis. Its eyes were big and it could see very well. With its wings the Pandahorn could fly very high. The

Pandahorn was a fast swimmer because he had a big fin. It had a magic horn too. The favourite food of the Pandahorn were fish, shells and birds.

The Pandahorn could grow to a length of two metres. Its enemies were crocodiles and eagles. Some animals were scared because the Pandahorn was strong and invincible. Every Pandahorn had a different colour on its fin. The main colours on its fin were purple, pink, light blue and dark blue.
